DR. MAURICE HOPKINS

TO THE CLASS OF 1972

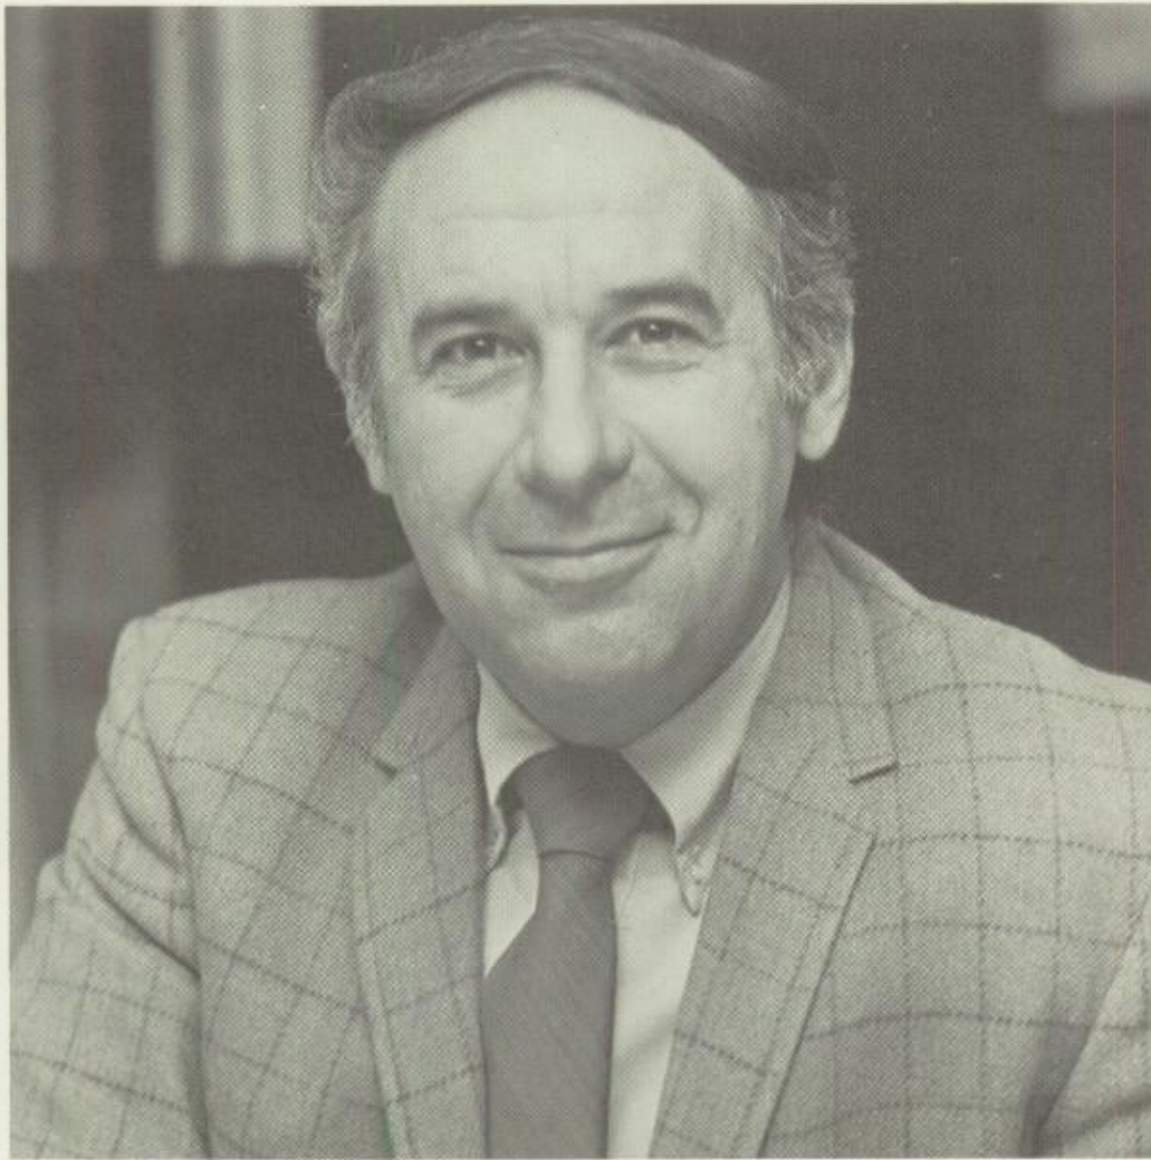

Today is your day, we recognize the importance of this day for you. The completion of your secondary education, as a graduate of The Henley School; a major step along the road to higher education. You are now qualified to enter your college career, leading to your business, industrial or professional future.

The future forces a challenge which you must accept. Make up your mind that this challenge will be met, by serious thinking and a will to work and to succeed.

The Henley Board, the Administration and the faculty have worked diligently to prepare you for entry into the more difficult and challenging road which lies ahead.

We welcome the Class of 1972 to our Alumni group, and we wish you the very best in your educational future.

We expect you to enhance the name of Henley, always remembering that we are indeed concerned about you and your success.

TO THE GRADUATING CLASS OF 1972:

We, at The Henley School congratulate you for your academic achievement and success in having fulfilled the requirements for graduation. Your class has earned the distinction of attaining the highest overall academic record in the history of The Henley School and each one of you has contributed to this accomplishment.

Your future will be ever challenging and you will face many problems. Think positively and act with determination toward your life's goals.

I bid you farewell and wish you success, good health and happiness.

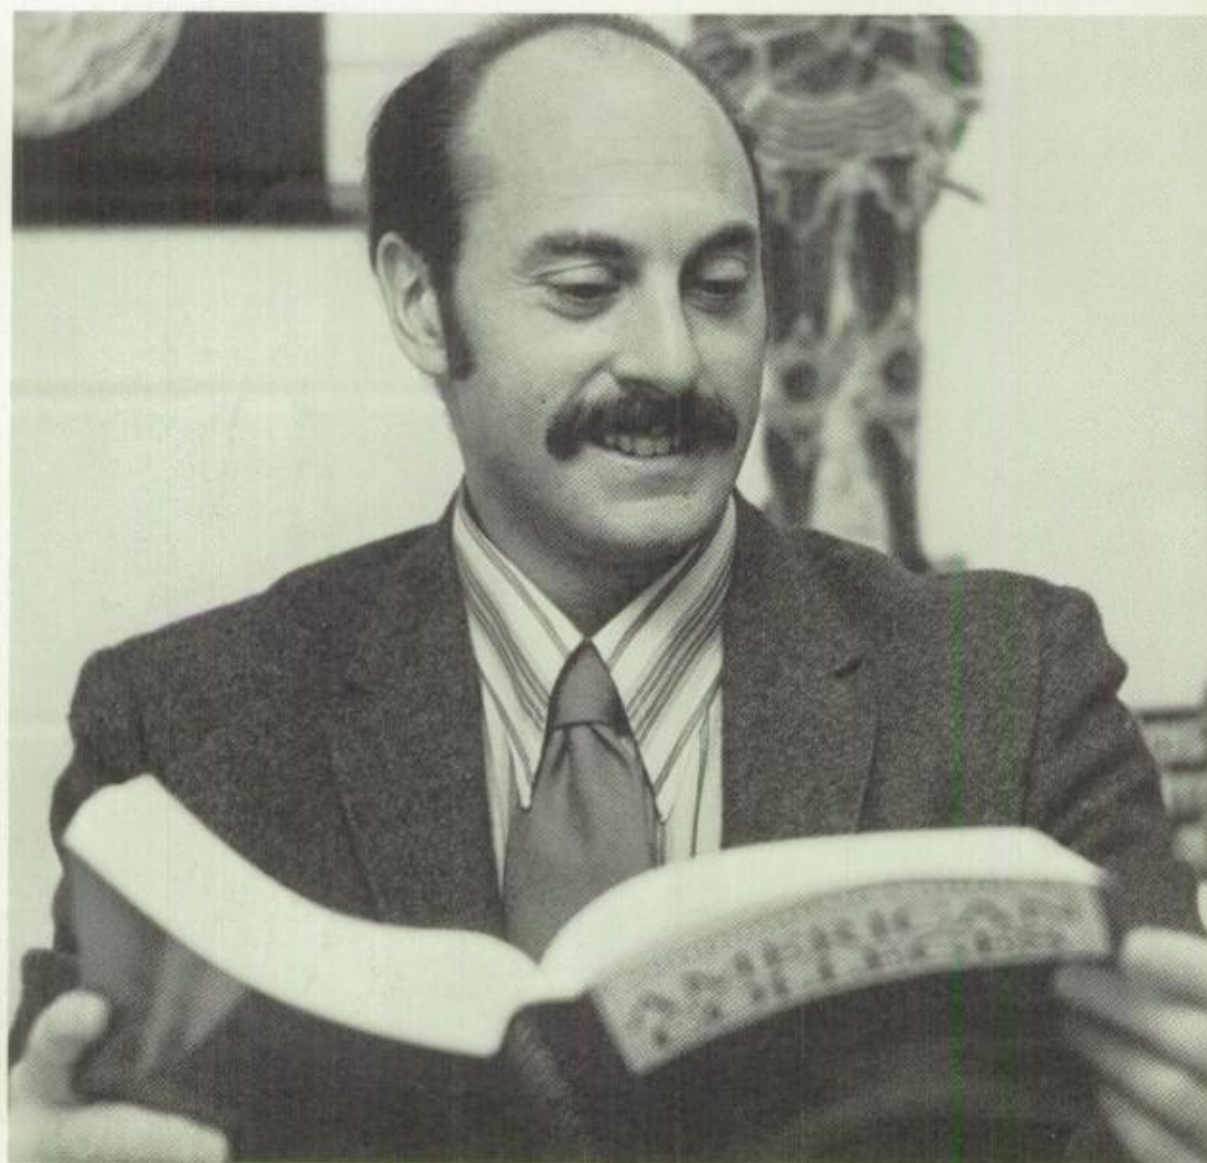

Sincerely,

*Sunrise doesn't last all morning
A cloudburst doesn't last all day
Seems my love is up, and has left you with no warning
But it's not always going to be this grey
All things must pass, all things must pass away.*

*Sunset doesn't last all evening
A mind can blow these clouds away
After all this my love is up and must be leaving
But it's not always going to be this grey.*
